

Parkview is teaming up with Piggly Wiggly of Cedarburg in their **Give Back to School Program**. Piggly Wiggly will donate **5%** of your cash card purchases back to Parkview PTA. This is an easy and convenient way to budget your monthly grocery purchases while at the same time bringing money into our school.

Here is how it works:

- You will place your order by the **10th of each month** for the amount of cash cards you would like to receive (in \$25 denominations).
- Checks should be made out to **Piggly Wiggly**.
- The cards work just like a prepaid credit card when you check out. You do not need to spend the entire amount. Any unused balance will remain on the card for future purchases.

Piggly Wiggly is always so generous to our school and the Cedarburg community. Let's do our part to show our support back to them!

If you have any questions, please contact Jan Weber at sjweber02@wi.rr.com.
